Economic & Political Weekly Research Foundation (EPWRF): Established in 1993, EPWRF is a constituent unit of Sameeksha Trust, which also publishes the reputed social science journal, **Economic & Political Weekly (EPW)**.

The **EPWRF India Times Series (EPWRFITS)**, interactive online database launched in 2011, is developed and administered by the EPW Research Foundation (EPWRF) with an aim to provide time series data on the Indian economy for facilitating economic analysis.

The **EPWRF ITS** database provides a wide range of macro-economic, financial and social statistics in a time series format and has over 55,000 variables structured in 23 different subject modules, of which 16 modules have state-wise data series, and Banking Statistics module has data sets for 722 districts.

The data has been collated from diverse official publications such as Reserve Bank of India, National Statistical Office, Government departments, and so on. Depending upon availability, data series starts from as early as 1950s. The data tables of all modules are updated timely, as and when data are released depending upon the frequency.
