

B.A. (Honours) Semester-V Examination 2014

HISTORY

Course : 12

History of South East Asia : Burma and Malaya (1800-1970)

Time : Three Hours

Full Marks : 40

Questions are of equal value.

Answer **any three** questions.

1. Would you argue that the British acquisition of Lower Burma in 1852 was an aggressive move generated by the logic of the imperialist process?
 2. Discuss the salient features of the local administration during the pre-British Burma.
 3. Review the nature and significance of the Saya San rebellion in Burma.
 4. Write a note on the straits settlement in Malaya.
 5. Analyse the factors that led to the British intervention in the Malay States.
 6. Critically analyse the role of the Chinese in the development of rubber production in Malaya.
