Oxford Reference Spotify Online

To address the growing requirements of the research work, Visva-Bharati Library Network (VBLN) has subscribed one of the premier online reference collections entitled 'Oxford Reference Spotify Online' (tailor made collections) published and marketed by the leading publication industry Oxford University Press (OUP). The wide collections and easy searching will be really a helpful research tool to the academic community. Oxford Reference, spanning 25 different subject areas, bringing together 2 million digitized entries across Oxford University Press's Dictionaries, Companions and Encyclopedias. The current product contains twelve different packages are as below;

1) Oxford Quick Reference(details available at: www.oxfordreference.com)

A core foundation of academic subject, language, and quotations dictionaries providing carefully vetted, trusted short-entry content.

- A monthly updating program checks and revises articles for top levels of accuracy and timeliness
- Regular content releases add new titles and editions
- Available by annual subscription to individuals and institutions
- Exclusive, online-only dictionaries widen the coverage of areas of study and research

Oxford Reference Library

In-depth, specialized titles from Oxford University Press's award-winning Encyclopedias and Companions, and a selection of partner publishers' scholarly works.

- New titles and editions are added throughout the year, as they publish in print
- Title-by-title purchasing allows institutions to build and customize their collections with the subjects they need
- Includes some of Oxford University Press's most visited titles including The Grove Dictionary of American Music, 2nd edition and the Oxford Classical Dictionary, 4th edition.

Key Features: Researching with Oxford Reference

- Library widget: Log in to Oxford Reference quickly and easily, and choose whether to see results from all of Oxford Reference or only full text entries available via your library
- Annotation Functionality: Select text to highlight and annotate with your own notes. Sign into your Personal Profile where your annotations can be stored and managed under "My Work".
- Oxford Dictionaries Online widget: Double click a word and see the free definition through Oxford Dictionaries Online
- Discoverability tools: MARC 21 records, available at title level, and Open URL increase discoverability and usage of library resources
- The Oxford Index Under bar: The silver tool at the bottom of your browser offers free search and discovery by generating links to related content from across Oxford University Press's online resources. For more information about the Oxford Index go to oxfordindex.oup.com

Flexible user experience

- Refine Your Search: Narrow your search/browse results with subject or reference type filters and select "Book" or "Entry" to see your results displayed in your preferred format. Choose to see "Full Text Results Only" by checking the box on the search results page.
- Options for Customization: Keep your research organized by saving your research journey, favorite titles, and entries in your Personal Profile, located in the top right-hand corner.
- Share Content: With integrated tools including social bookmarking, email, and citation export
- Leave Feedback: You can now leave feedback about how useful you found entries in Oxford Reference using the box at the bottom of every entry.

Discoverable research tools:

Even a non-subscriber has full access to the following tools:

- Overview pages: Over 300,000 pages defining each unique term in Oxford Reference, with links to related entries, helping you begin your research journey
- Timelines: 270 historic timelines organized by period, area, and theme, with each event linked to a free entry in Oxford Reference
- Quotations: Oxford Essential Quotations is accessible to global users
- 'Did you know?' RSS feed: Sign up for facts and quotations delivered straight to users' email
