Library Membership Registration through Online: Guide for New Students

Admission on different courses at Visva-Bharati is under pipe line. Soon after getting the Identity Card and Enrolment card each and every student is supposed to obtain library membership. To take the library membership card, every student need to fill-up the online library registration form. From the previous experience as well as to make it easy and simple for the newly admitted students the current issue contains the fourteen (14) steps of receiving library card (next issue will cover “How to search library resources through Online Public Access Catalogue (OPAC)”. Further, to use the library resources and facilities all students expected to attend ‘Library Orientation Programme’. Therefore, students are advised to follow the guidelines for filling up the Online Membership Registration as noted below;

1. Candidate must have one e-mail account.
2. For Online Membership Form fill-up candidate has to visit Central Library or Bhavana Library or Departmental Computer having campus connectivity.
3. Open Visva-Bharati Website (www.visva-bharati.ac.in).
4. Click Library (third item of the website from the right-hand side) in the content page of the Visva-Bharati Website.
5. Click Library OPAC (fifth item from the left-hand side), then click any one either on Internet (<http://14.139.211.2:8380/opac/>) or on Intranet (<http://172.16.2.2:8380/opac/>)
6. Click on “My Account” Menu bar, one window (box) will open.

Important Links

- **INFOPORT (<http://infoport.inflibnet.ac.in/>)**

The INFLIBNET Centre promotes open access to Indian scholarly content through the InfoPort: A Subject Gateway for Indian Electronic-Resources. While Centre uses and promotes Institute, a well-known subject gateway developed by MIMAS, UK, the InfoPort is designed and developed to serve as a comprehensive gateway to all Indian scholarly content. The gateway open-ups the Indian scholarly content scattered over the Internet through an integrated interface that support search, browse and multiple listing. The InfoPort selectively catalogues online resources of Indian origin on diversified subjects available in open access through an elaborate process of testing and evaluation. The Centre proposes to collaborate with librarians and scholars in college and universities in the process of identification and selection of resources. The universe of knowledge is divided into different subject groups. According to the Dewey Decimal Classification, the universe of knowledge is scattered from 000 to 999. InfoPort is classified according to DDC, indexed subjectwise and arranged alphabetically subjects.

- **SpringerOpen (<https://www.springeropen.com/books> and <https://www.springeropen.com/journals>)**

The growing demand for open access publishing across all disciplines has led Springer to expand our open access program to fully open access books. As a further addition to our already established [SpringerOpen journal portfolio](#) we now offer authors in a wide range of areas within science, technology and medicine (STM) and within humanities and social sciences the option to publish open access books.

SpringerOpen publishes a wide selection of open access books across various disciplines. All SpringerOpen books are freely available online at [SpringerLink](#) and listed in the [Directory of Open Access Books \(DOAB\)](#). An overview of SpringerOpen books may be downloaded on Springer's [MARC records](#) website.
