

**M.A. Examination 2018**  
**Semester-IV**  
**History**  
**Course : ECO-6**  
**Industrial Development in India (1805s-1950s)**

**Time : 3 Hours**

**Full Marks : 40**

**Questions are of equal value**

Answer **any four** questions

1. Discuss the de-industrialisation debate in colonial India, with special emphasis on female labour.
  2. What are the stages of industrialization in the period of your study? Discuss in detail any three consecutive stages.
  3. Make a comparative analysis of cotton mills and jute mills as they developed in colonial India.
  4. Trace the development of industries other than cotton and jute in the period of your study.
  5. What was the nature of labour supply to Indian industries? How were the labourers reunited?
  6. Write a note on labour mobilisation in the cotton industry, with reference to the evolution of labour laws in India.
  7. Describe the varying patterns of entrepreneurship in different parts of colonial India.
  8. Give a critical account of the conflict of interests that developed between Indians and Europeans in the coal business between 1900 and 1947.
